**RENEWED PETITION UNDER 37 CFR §1.137(b)**

This Petition is respectfully submitted to withdraw a holding of abandonment of the above identified application.

On September 19, 2006, Applicant, through his attorney of record, filed a Petition to Withdraw a holding of abandonment. While the petition was filed under 37 CFR §1.181, the Office of Petitions held the same as a Petition to Revive under the provisions of 37 CFR §1.137(b), and the \$750 petition fee has been charged to the undersigned counsel's deposit account.

On April 5, the Petitions Examiner denied such Petition to Revive on the grounds that there was no statement of unintentional delay.

This Renewed Petition is intended to overcome this omission.

1. The required reply was payment of the issue fee, and this was filed on or about 05/02/2006.
2. The petition fee has already been charged to the counsel's deposit account.
3. The entire delay in filing the required reply (payment of issue fee) from the due

date for the reply until the filing of a grantable petition pursuant to 37 CFR §1.137 was unintentional.

Since the foregoing complies with the required statement of unintentional delay, it is respectfully requested that this Revised Petition to Revoke be granted.

Any further fees required in connection with this matter may be charged to counsel's account No. 26-0265 in the United States Patent Office.

Dated: May 2, 2007

Respectfully submitted,
